Notes

Does Not Apply/NA:	In questions with a “Does Not Apply” choice, the NA count is shown in the frequency graphs but is NOT included in any statistical analysis (mean/median).
Response thresholds to protect student confidentiality:	If fewer than five (5) students respond to your course evaluation, an Instructor Quick Report is not generated.
Multiple sections:	If a course has multiple sections, each section has a separate Instructor Quick Report.
Team-taught courses:	Each instructor receives results only for themselves as instructor and for all other questions about the course or non-instructor-specific topics.

Please explain your choice above regarding how challenging this course has been.

Comments
Some of the concepts we learned have been complicated but it isn't too hard to understand when you do some questions related to them.
Not challenging, basic math and reading comp.
it was difficult but with effort its manageable.
It involved a good amount of coursework that wasn't overly difficult. The assignments, essays, and quizzes were easy to manage.
I learned things I have never learned before and was able apply these things to other real situations

Overall, what suggestions or changes, if any, would you make to improve the content or format of this course regardless of who is teaching it?

Comments
Focus on more in class examples
add videos and more communication
Have the instructor and the class be more involved with each other than just emailing back and forth, like group discussions and/ or meetings.
None

What are the strengths of Aditi Surve as an instructor?

Comments
They were very clear in what they expected us to do for assignments and quizzes, and quick to respond to any questions I had.
Communicative and shows he knows what he is teaching us about
Aditi Surve is very helpful, he will answer any questions in a timely manner.
Provides feedback for assignments.
Gave helpful and useful feedback to all of my questions.
good communicator.

What are one or two specific things the instructor, Aditi Surve, could do to improve his/her teaching?

Comments
I think more interactions the class as a whole would be a bit more motivating for classwork. Even having class discussions once in awhile would help it feel more like a class and not solely teaching ourselves.
I really wouldn’t say anything
Encourage students to communicate with each other
Nothing!
add videos

Please provide comments about what elements of the course did or did not help you learn:

Comments
Things that helped me learn in this course were the homework assignments.
The included powerpoints for the readings, it was better to just read the textbook, the slides were pointless.
announcements
I feel it would have helped if there was more involvement with the class and the instructor with the course material.
The writing assignments helped me apply my learning into real world issues

Please comment on which skill/item above is particularly valuable to you and why it is valuable.

Comments
The skill that is valuable to me is "learn to relate course material to the real world." This is valuable because it is important to understand the components of an economy so that we can make decisions based upon it.
I can apply economics to my major very well
learn how to relate the material to the real world, it is important because it will help us understand better because we can connect to real–life events.
It was interesting to learn different points of view of economics and the modern situations that can arise from certain actions.
Learning how to seek out answers to your own questions is very important to understand and do as this is how the real world works
